WALL MATTHEWS THE DREAMING LIGHT

Monday July 30 and August 3, 4 & 5

Living Room Concert: Wall Matthews

Wall Matthews is a guitarist and pianist who has been making atmospheric New Age sounds since he recorded with the Entourage

Theatre and Music Ensemble in 1968. Now he creates beautiful chamber music works. We talk to him about that and the band **Fourtet** lifting some of his music.

Tuesday July 31st

Interview: Todd Boston

Todd Boston talks about studying with **Ali Akbar Khan** and recording his new world fusion album, *Touched by the Sun*, with Windham Hill founder **Will Ackerman**

Wednesday August 1st

Remembering Jerry Garcia

The Grateful Dead's Jerry Garcia would have been 70 on August 1st. We'll remember the guitar legend who helped expand minds and the borders of rock with one of the most distinctive guitar sounds ever forged.

& IN CONCERT**

ICM

Thursday August 2nd
New Music: Terje Rypdal and Mark Dwane

New music featuring two dimensions of guitar. We'll go back to a classic album by Norwegian guitarist **Terje Rypdal** called *Odyssey*. This 1975 album has just been reissued in its complete form for the first time. We'll

also hear new music by guitar synthesist **Mark Dwane**.
